CITYWIDE AQUATICS DIVISION

AQUATICS

Persons with disabilities are welcome to participate in our programs. Reasonable accommodations will be made with prior arrangements.

PROGRAMS FOR ALL AGES

Recreational Swimming: Open swimming is available for any one wanting to participate in water activities. The pool offers times for lap and public swimming. We encourage individuals and families to join in the fun.

Water Awareness: Our Program is based on American Red Cross Standards. Classes include: Community Water Safety, Level swimming classes for young beginners to adults. Groups and private swimming lessons and parent/child classes.

Adaptive Swimming: For persons with mental or physical disabilities, this program helps participants to learn and improve skills, maintain and increase physical fitness, achieve success and receive recognition and experience self-actualization in a regular aquatics environment. We also offer a Special Olympic teams with is designed for athletes who want to train and compete in Special Olympic Events at two locations.

Unique Aquatics Activities: This includes small craft sailing programs.

Team Sports: This program is intended for the recreational participant. We offer various team programs including, all novice and some U.S. in swimming, diving, water polo, inner tube polo, synchronized swimming and Special Olympics. Team practices include water instruction and many include dry land warm-ups. There is an opportunity for all participants to compete against other teams with similar ability and age citywide.

Exercise: We offer low to high intensity workouts that promote cardiovascular fitness as well as conditioning, increased flexibility and range of motion.

New Job Skills and Opportunities: We offer a Junior Lifeguard Program designed to prepare future lifeguard candidates by instructing participants in various safety-training classes.

Fishing: This self-guided activity is available at our open water facilities.

SPECIAL PROGRAMS

EDUCATION PROGRAMS

Los Angeles City Lifeguards can visit your school or organization to educate children and their parents on the importance of water safety
